

Wisconsin Insurance Security Fund

Assessment information for Insurers

Administrative Account Assessments

- The Fund makes administrative assessments **in the odd numbered years**.
- The **next administrative assessment** is projected to be invoiced in the middle of **Q1 2027**.

Insolvency Account Assessments

All Security Fund Insolvency Accounts use the most recent year for which assessment data is available prior to the year the board authorizes an assessment.

Property Casualty (Other Insurance) Account

- There are currently no plans to make an assessment in 2026.
- There are no authorized and uncalled assessments.

Life & Annuity Account

(Note: The life and annuity accounts merged in 2024, the assessment bases remain separate. This account will now use the year prior to authorization for its assessment base)

- There are currently no plans to make an assessment on life premium in 2026.
- There are no authorized and uncalled life premium assessments.
- There are currently no plans to make an annuity assessment in 2026.
- There are no authorized and uncalled annuity assessments.
- The **Fund is currently using inter account borrowing to meet CBLIC liabilities. At this time it appears that estate distributions will repay these loans and cover all remaining liabilities.**

Disability (includes Health) Account

- There are currently no plans to make an assessment in 2026.
- There are no authorized and uncalled assessments:

HMO Account

- There are no active insolvencies in this account.

- There are no authorized and uncalled assessments.

Wisconsin has not adopted the new NAIC Model Act that includes a new assessment base for LTC insolvencies.

Assessment Appeal Rights: If a company wishes to appeal the assessment it must pay by the due date the full amount shown on the invoice under protest and send separate notice of appeal identifying the company or companies including company NAIC number(s) that states your specific objection to this assessment. Appeal communications should be sent to:

Wisconsin Insurance Security Fund
2820 Walton Commons Lane Suite 135
Madison, WI 53718-6797.

The appeal must be sent to us within 30 days of the date of the invoice.

Insurers Must Maintain their Electronic Contacts.

- The Security Fund invoices all assessments electronically through the Assessments@wisf-madison.org e-mail account. Please **make sure this address is whitelisted** to avoid having invoices being blocked or quarantined.
- The Security Fund **does not participate** in the **NOLHGA Assess Connect** system.
- **Insurers are responsible for maintaining current e-mail contacts with the Security Fund** for the delivery of assessment invoices.
 - Updated assessment contact information should be sent to wisconsin@wisf-madison.org.
 - Include the company name, NAIC number, invoicing e-mail address as well as a contact person with their e-mail address and phone number.

Assessment Premium Reporting and Exemption Claims

- Insurers writing life, annuity, accident and health or HMO coverage should utilize the NOLHGA Assessment Data Survey Reconciliation with the annual financial statement to report exempt premium (i.e., Medicare, Medicaid, and FEHBP).
- Insurers writing property casualty or other covered lines of business who have exempt premium that appears on their annual financial statement should contact the Security Fund for instructions on how to file for a premium exemption.

NOTICE: The **Security Fund Annual Report** is no longer mailed to insurers. The last annual report **is available on our website** (<https://www.wilifega.org/>) under the **Additional Info** tab. Other years are available upon request.

This document entitled **Assessment Information for Insurers** is also available under that tab and is regularly updated as events require.

Guidance for Statutory Reserving

Insurers are strongly encouraged to verify their assessable premium numbers carefully and to reserve based on the premium they report through these sources, so that they can identify and correct errors in a timely manner.

- Each December, the Fund produces a summary of projected liabilities and account balances by insolvency account to assist companies in their statutory accounting reserve determinations.
- The 2025 YE SAAP Report (issued 12/1/2025) is on the next two pages.
- If you have questions on this report, please send your contact information to Wisconsin@wisf-madison.org or contact Executive Director Allan Patek at 608-268-4068.

Life & Annuity, P&C, Disability and HMO accounts all use the year prior (or most recent available) to assessment authorization as the base year.

All amounts indicated for future liabilities are estimates and are subject to change.

1. The timing of assessments is determined, and will be dependent upon, by the cash flow needs of the Fund related to insolvency estates.
2. The amount assessed may be reduced by distributions from open liquidation estates, investment income and premium revenue. New this year, the P&C projected liabilities reflects the beneficial effect of net worth recoveries.
3. The Fund can't predict whether future insolvencies will occur that require assessments.

NOTE: In order to produce this report earlier, the Fund adjusted the current balances and future liabilities to reflect projected changes in the last 2 months of 2025.

Column Descriptions

Active Insolvencies include all liquidations where the Fund continues to maintain estate level tracking and has projected liabilities. Open estates range widely with the oldest remaining P&C estates dating from 1985, oldest life estate is from 1981 and disability account estate is from 2010.

Active Open Estates includes only estates when the liquidation estate is also still open. This is significant because in many cases the bar dates have not been set and administrative costs are reimbursed and estate distribution continue.

Current Assessment Base shows the preliminary assessment base for the most current year. The Life, Annuity and Disability account information comes from the annual statement reconciliation and NOLHGA Assessment Data Survey (results usually available by September 30th). P&C and HMO account information comes from the annual statements through OCI (results usually available by June 1st)

Current Account Balance shows the funds currently held in each account for all liquidation estates. These funds are receipts (assessments, early access, estate distributions, premium, recoveries and investment income) after all expenses (claims, adjustment costs and allocated administrative expenses) have been subtracted.

Current Projected Future Liabilities includes claims and claims adjustment reserves, but does not include allocated administrative expenses. The Fund annually allocates between 75- 80% of its approximately \$1,389,000 annual administrative budget through a time/effort based allocation formula.
