## **Assessment Premium Reporting and Exemption Claims**

- Insurers writing life, annuity, accident and health or HMO coverage should utilize the NOLHGA Assessment Data Survey reconciliation with the annual financial statement to report exempt premium (i.e. Medicare and Medicaid).
- Insurers writing property casualty or other covered lines of business who have exempt premium that appears on their annual financial statement should contact the Fund for instructions on how to file for a premium exemption.

## **Guidance for Statutory Reserving**

- Each December, the Fund produces a summary of projected liabilities and account balances by insolvency account to assist companies in their statutory accounting reserve determinations.
