## **INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS**

To the Board of Directors  
Wisconsin Insurance Security Fund  
Madison, Wisconsin

We have audited the accompanying financial statements, which are comprised of the statements of assets and fund balances arising from cash transactions of Wisconsin Insurance Security Fund (the Fund) as of December 31, 2016 and 2015, and the related statements of revenue collected and expenses paid and changes in fund balances for the years then ended.

### **Management's Responsibilities for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Fund's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

CPAs • ADVISORS • CONSULTANTS

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion, except for the items marked “unaudited” for which we express no opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets and fund balances arising from cash transactions of the Fund as of December 31, 2016 and 2015, and its revenue collected, expenses paid, and changes in fund balances for the years then ended, in accordance with the cash basis of accounting as described in Note 2.

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on a cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

See Notes to Financial Statements.

**Note 1 ~ Organization**

The Wisconsin Insurance Security Fund (the Fund), a Wisconsin non-profit entity, was organized in 1969 pursuant to provisions of Wisconsin Statutes, Chapter 646, since amended. The Fund includes direct licensed insurers authorized to do business in Wisconsin with limited additions and exceptions. Also, as outlined in Chapter 646, certain lines of business written in Wisconsin are excluded from Fund coverage.

The main purposes of the Fund are:

- a. To maintain public confidence in the promises of insurers by providing a mechanism for protecting insureds from excessive delay and loss in the event of liquidation of insurers and by assessing the cost of such protection among insurers; and
- b. To provide, where appropriate, for the continuation of protection under policies and supplemental contracts of life insurance, disability insurance, and annuities.

The Fund is administered by a Board of Directors (the Board) which consists of 14 members. The attorney general, the state treasurer, and the Commissioner of Insurance are members with full voting rights. Other members are chosen from representatives of insurers subject to Chapter 646 under procedures approved by the Commissioner of Insurance.

The investments of the Fund are managed at the direction of the Board and are utilized to pay claims and expenses or to make refunds of assessments to insurers.

Chapter 646 of the Wisconsin Statutes creates six segregated accounts: one for life insurance; one for allocated annuities; one for disability insurance other than policies issued or covered by a health maintenance organization insurer; one for health maintenance organization (HMO) insurers; one for all other kinds of insurance subject to this chapter (namely, property and casualty); and an administration account.

The Fund operates with three full-time employees and two part-time employees. Consultants, third-party administrators, and temporary employees are utilized as necessary. Administrative expenses incurred in connection with actual liquidations are allocated to the appropriate account. Non-allocated expenses remain in the administration account.

Per Chapter 646 of the Wisconsin Statutes, the Board of the Fund may temporarily transfer assets from one account to another.

The Fund is authorized to levy two different types of assessments. Administrative assessments are authorized by the Board on a prorated or nonprorated basis to meet administrative costs and other expenses whether or not related to the liquidation or rehabilitation of a particular insurer. The other type of assessment is a premium assessment where the Board periodically authorizes assessments of insurers within each account delineated in the statute for covered insurance policies to fund the cost of claims and continuation of coverage for policyholders as defined in the statutes.

**Note 1 ~ Organization** (Continued)

The Fund files a proof of claim in each liquidation estate for administration expenses and claim payments. If the liquidator determines that there are sufficient assets, a liquidation distribution may be made to the Fund. These distributions may be either in the form of early access distributions or final distributions when the liquidated estate is closed, or both.

**Note 2 ~ Summary of Significant Accounting Policies**

**Basis of Presentation.** The Fund prepares its financial statements on the basis of cash receipts and disbursements. Under this basis, revenues are recognized when collected rather than when earned and expenditures are recognized when paid rather than when incurred except for certain expenditures for capital items. Consequently, items such as assessments receivable from insurers; amounts due from large net worth insureds; amounts payable on life/annuity liquidation agreements, unpaid claims, and unpaid claim adjustment expenses; and amounts due for services rendered are not included in the financial statements.

**Cash and Investments.** Cash and cash equivalents include variable interest rate accounts that can be withdrawn on demand and money market funds. The Fund has on deposit in a financial institution balances in excess of amounts insured by the Federal Deposit Insurance Corporation (FDIC). The Fund does not believe it is exposed to any significant credit risk on the uninsured amounts. Investments consist solely of certificates of deposit, U.S. government agency notes, and municipal bonds that are carried at cost.

The cost and fair value of bonds at December 31, 2016 and 2015, were as follows:

	<u>Cost</u>	<u>Gross Unrealized Gains</u>	<u>Gross Unrealized Losses</u>	<u>Fair Value</u>
<b>2016</b>				
Municipal	\$ 1,783,213	\$ 73	\$ (50,949)	\$ 1,732,337
U.S. Government Agency	<u>8,443,429</u>	<u>3,605</u>	<u>(226,783)</u>	<u>8,220,251</u>
	<u>\$ 10,226,642</u>	<u>\$ 3,678</u>	<u>\$ (277,732)</u>	<u>\$ 9,952,588</u>
<b>2015</b>				
Municipal	\$ 377,026	\$ 74	\$ (9,383)	\$ 367,717
U.S. Government Agency	<u>12,087,772</u>	<u>-</u>	<u>(482,344)</u>	<u>11,605,428</u>
	<u>\$ 12,464,798</u>	<u>\$ 74</u>	<u>\$ (491,727)</u>	<u>\$ 11,973,145</u>

**WISCONSIN INSURANCE SECURITY FUND**

**NOTES TO FINANCIAL STATEMENTS**

December 31, 2016 and 2015

---

**Note 2 ~ Summary of Significant Accounting Policies** (Continued)

The Fund uses a provider of market data and analytics to estimate the fair value of each bond.

The cost and fair value of bonds at December 31, 2016, by contractual maturity, are presented in the following table:

	<u>Cost</u>	<u>Fair Value</u>
Due within one year	\$ 1,247,273	\$ 1,249,673
Due after one year through five years	3,512,484	3,448,659
Due after five years through ten years	3,967,395	3,823,071
Due after ten years	<u>1,499,490</u>	<u>1,431,185</u>
	<u>\$ 10,226,642</u>	<u>\$ 9,952,588</u>

**Line of Credit.** As of December 31, 2016, the Fund has a line of credit for \$25 million with Johnson Bank. No draws were made on the line of credit in 2016 or 2015.

**Allocation of Expenses.** A significant portion of the expenses paid in the administration account are incurred on behalf of liquidation estates. The Fund's personnel report time spent on specific liquidation matters, which forms the basis for the quarterly allocation of expenses from the administration account to each liquidation account. One additional expense that was allocated to each liquidation starting in the fourth quarter of 2016 was the cost of the CMFTS (claims) system. The total cost of the CMFTS system, approximately \$320,000, was paid in 2015 and 2016, and will be allocated and recouped over five years.

**Allocation of Interest Income.** Interest income received is allocated to specific insolvencies based on the respective fund balances.

**Income Tax.** The Fund is a tax exempt organization under the provisions of Section 501(c)(6) of the Internal Revenue Code. The Fund is also exempt from Wisconsin income taxation.

**Subsequent Events.** Subsequent events were evaluated through February 4, 2017, which is the date the financial statements were available to be issued.

**Note 3 ~ Assessments – Property and Casualty**

Approved assessments are calculated as a percentage of premiums written in Wisconsin by each insurer in the classes protected by the account for the year preceding the year in which the Board authorized the assessment. The original premium data is obtained from the Office of the Commissioner of Insurance. The Fund has an annual capacity to collect assessments of approximately \$166,000,000 (unaudited) per the latest available data (2015).

**Note 4 ~ Assessments – Life/Annuity**

Approved assessments are calculated as a percentage of the average annual premiums written in Wisconsin by each insurer in the classes protected by the account for the three years preceding the year of the entry of the order of liquidation. The original premium data is obtained from a data survey prepared by the National Organization of Life and Health Guaranty Associations on behalf of the National Association of Insurance Commissioners.

The Fund has an annual capacity to collect assessments of approximately \$47,000,000 (life, unaudited) and \$78,000,000 (annuity, unaudited) per the latest available data (2015).

**Executive Life.** In September 2016, the board rescinded all outstanding assessments for the life and allocated annuity accounts for the Executive Life Insurance Company (ELIC) in liquidation.

**Note 5 ~ Assessments – Disability/Administration/HMO**

Assessments for the disability account are calculated as a percentage of premiums written in Wisconsin by each insurer in the classes protected by the account for the year preceding the year an assessment is authorized. The original premium data is obtained from a data survey prepared by the National Organization of Life and Health Guaranty Associations. The Fund has an annual capacity to collect assessments of approximately \$104,000,000 (unaudited) per the latest available data (2015). A \$3,000,000 assessment for the National States insolvency was made in 2014 and \$1,000,000 of that assessment remains uncalled. This assessment is grandfathered under an assessment calculated based on the average premium for the three years preceding the liquidation.

The Fund did not collect an administrative assessment in 2016, but has an annual capacity to collect assessments of approximately \$460,000.

The Fund has an annual capacity to collect assessments of approximately \$93,000,000 (unaudited) in the HMO account per the latest available data (2015). HMOs are required to prepay one percent of this assessment capacity and the Office of the Commissioner of Insurance currently holds deposits exceeding 50 percent of assessment capacity. Assessments for the HMO account would be calculated based on the premium for the year preceding the authorization of assessment. The Fund has never levied or called an assessment in the HMO account.

**Note 6 ~ Liquidation Distributions – Property and Casualty**

During 2016 and 2015, the Fund received distributions or early access payments of \$1,489,268 and \$2,399,842, respectively, from Property and Casualty liquidations. The following is a breakdown of the amounts received in 2016:

Liquidation (State)	Amount	Description
Casualty Reciprocal Exchange (MO)	\$ 819,530	Early access distribution
Shelby (TX)	299,227	Early access distribution
HIH America (CA)	15,468	Final estate distribution
U.S. Capitol (MD)	122	Early access distribution
American Mutual (MA)	168,706	Early access distribution
Lumbermans (IL)	88,902	Administrative expenses, early access distribution
Home (NH)	2,803	Defense expenses
Home (NH)	(431,215)	Clawback
Statewide (IL)	8,586	Administrative expense, early access distribution
Ins. Corp of NY (NY)	457,463	Early access distribution
Imperial Casualty (OK)	28,888	Early access distribution
Reliance (PA)	30,788	Administrative expenses
Total	<u>\$ 1,489,268</u>	

For distributions received prior to an estate closing, the liquidator retains the ability to require a return of funds from a guaranty fund (clawback) for reallocation in the final distribution of the estate.

**Note 7 ~ Liquidation Distributions – Life/Annuity**

During 2016 and 2015, the Fund received distributions of assets of \$357,903 and \$77,415, respectively, from Life/Annuity estates. The following is a breakdown of the amounts received in 2016:

Liquidation (State)	Amount	Description
Lincoln Memorial (TX)	\$ 6,064	Litigation and restitution recovery
Executive Life/Aurora	41,996	Assumption agreement reconciliation
Executive Life/NOLHGA	<u>309,843</u>	Account value increment distribution
Total	<u>\$ 357,903</u>	

**Note 8 ~ Liquidation Distributions – Disability**

During 2016 and 2015, the Fund received distributions of assets of \$0 and \$16,064, respectively, from Disability estates.

**Note 9 ~ Other Recoveries**

Chapter 646 of the Wisconsin Statutes limits the Fund's obligations to named insureds with large net worths. If the net worth of a named insured is greater than \$25,000,000, the Fund is not ultimately financially responsible for the claims unless the aggregate claims exceeds 10 percent of the insured's net worth. For the years ended December 31, 2016 and 2015, the Fund has received reimbursement from large net worth insureds totaling \$493,340 and \$426,203, respectively. These recoveries are netted against claims and claim adjustment expenses paid within the financial statements.

**Note 10 ~ Estimated Unpaid Claims and Claim Adjustment Expenses – Property and Casualty**

As of December 31, 2016 and 2015, the Fund estimated the unpaid claims and claim adjustment expenses to be approximately \$24,500,000 (unaudited) and \$27,500,000 (unaudited), respectively. These amounts are estimates and the ultimate settlements may vary from the amounts indicated. These amounts will be offset by future liquidation distributions received from receivers and assessments received from insurers.

Liquidations with amounts included in this liability are Affirmative, American Mutual, Atlantic Mutual, Carriers, Casualty Reciprocal, Centennial, Freestone, Fremont Indemnity, Home, ICM, Ideal Mutual, Imperial Casualty, Insurance Corp of NY, Integrity, Intercontinental, Iowa National, Legion, Lumbermans Underwriting, Lumbermans Mutual, Midland, Reinsurance Co. of America, Reliance, Shelby, and Ullico Casualty.

**Note 11 ~ Net Ultimate Liabilities – Life/Annuity**

The Fund has received revised notices during the year on estimated liabilities for insurers currently in liquidation. These liability amounts are subject to change due to fluctuating interest rates, asset valuations, experience of assumed blocks of business, and other variables.

Insolvencies with liabilities include only Executive Life and Lincoln Memorial Life. As of December 31, 2016 and 2015, estimates of the liability to the Fund are approximately \$375,000 (unaudited) and \$450,000 (unaudited), respectively. These amounts will be offset by future distributions received from receivers and assessments received from insurers.

**Note 12 ~ Net Ultimate Liabilities – Disability**

Insolvencies with liabilities include only National States and SeeChange. The estimated liability for the disability insolvency account are approximately \$1,200,000 (unaudited) and \$1,500,000 (unaudited) as of December 31, 2016 and 2015, respectively. These amounts will be offset by future distributions received from receivers and assessments received from insurers.

**Note 13 ~ Estate Closings**

Numerous estates, including American Mutual, Casualty Reciprocal, ICM, Ideal Mutual, Legion, Mission, Reliance, and Villanova, are in the process of being closed. The Statewide and US Capitol estates closed in 2016. After these closings, the estates will make no future distributions, and the Fund will be liable for all remaining claim payments. Carriers, Integrity, Iowa National, and Transit Casualty, previously closed estates, are not expected to make any future distributions to the Fund. However, the Fund continues to have expense activity subsequent to the closure of these estates.

**Note 14 ~ Retirement Plans**

The Fund is a participating employer in the Pension Plan for Insurance Organizations (PPIO), which is a qualified non-contributory defined benefit pension plan covering substantially all employees of the Fund. After meeting certain qualifications, an employee acquires a vested right to future benefits. The benefits payable under the plan are generally determined on the basis of an employee's length of employment and career average salary. The Fund closed pension plan participation to new employees hired after December 31, 2016. The plan is currently funded at a level that approximates the estimated benefits. The expenses related to this plan were \$22,116 and \$43,248 for the years ended December 31, 2016 and 2015, respectively.

The Fund also has a defined contribution plan pursuant to Section 401(k) of the Internal Revenue Code that covers all employees who work at least a 12-month period. The Fund, at its discretion, matches employee contributions up to a maximum of 75 percent of the first 6 percent of compensation. The expenses related to this plan were \$17,459 and \$18,798 for the years ended December 31, 2016 and 2015, respectively.

**Note 15 ~ Litigation**

The Fund is involved in legal proceedings, claims, and liquidations arising in the ordinary course of business. This includes pending or threatened litigation with respect to various loss claims under insurance policies issued by insurers in liquidation and numerous pending claims against liquidators for reimbursement of claims paid and loss adjustment expenses paid. The resolution of these matters cannot be predicted at this time. Any liability that would arise out of litigation would be recovered by the Fund through assessments from the insurers for the respective liquidations.

**Note 16 ~ Lease Commitment**

The Fund leases office space under a rental agreement, which expires May 31, 2019. Future minimum payments on the noncancelable lease as of December 31, 2016, are as follows:

<u>Years Ending December 31,</u>	
2017	\$ 42,328
2018	42,328
2019	<u>17,637</u>
	<u>\$ 102,293</u>
